Time: One Way 40 hrs,
Costs: One Way 3050,- DM,
Return
4.800,- DM
Capacity: 24 t / 80 Kubikmeter,

RAJLOVAC

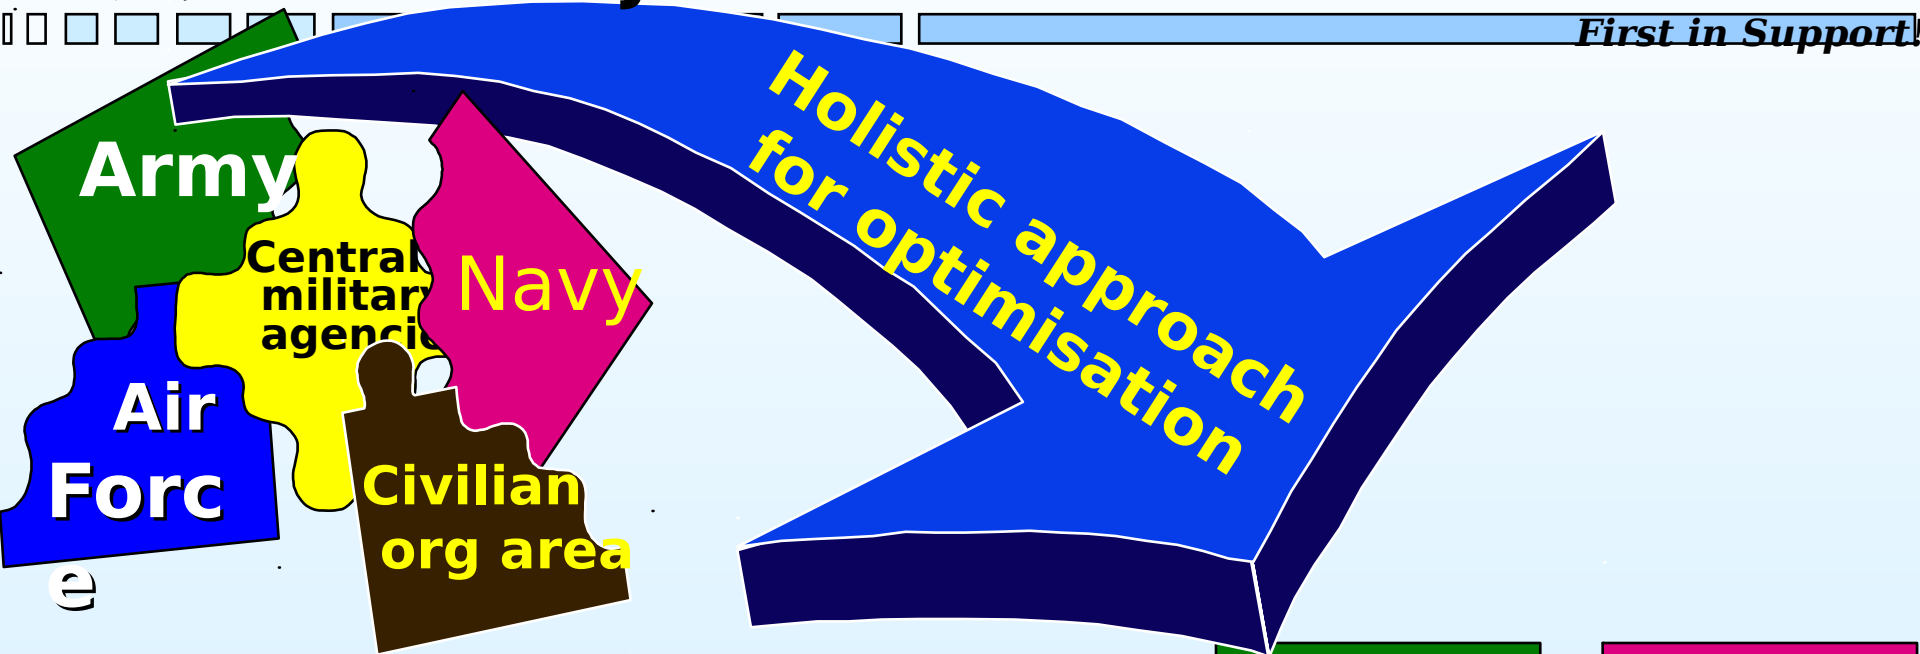

Combat service support within the scope of the enlarged mission spectrum

Strategic Realignment of the Logistic System towards Joint Performance of Tasks

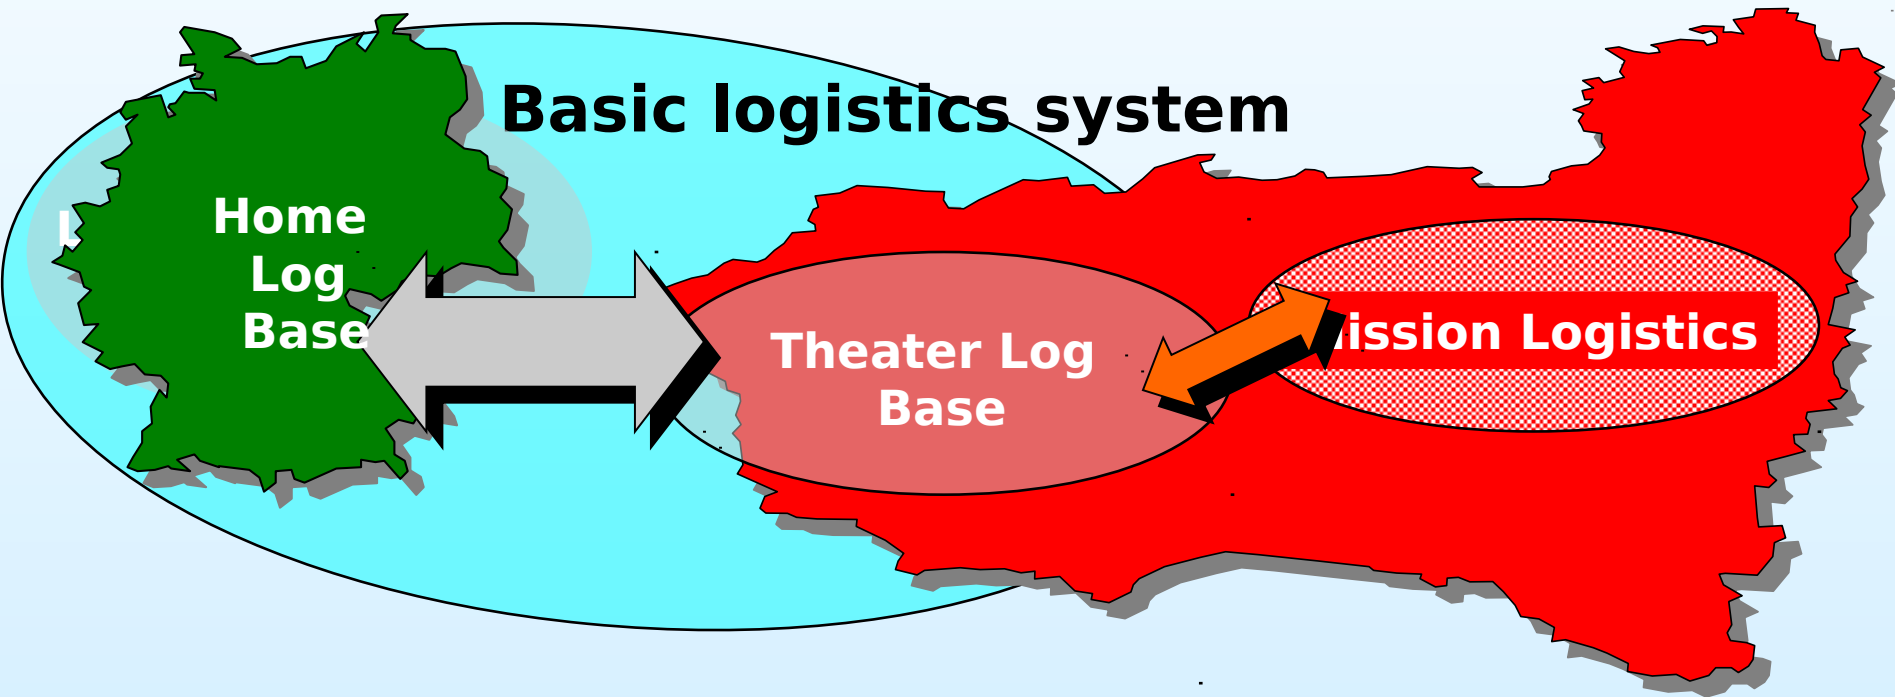

- Common tasks to be concentrated in the basic logistics organisation
- Single services to be geared to operational requirements
- Standard principles and procedures to be applied

The System Network of Basic and Mission Logistics

First in Support!

Central performance
of logistic tasks

Decentralised performance
of logistic tasks

3 Most Important Things to Remember About Us

First in Support!

German LNO

- . is your link to German Armed Forces
- . Governor of JSC, your twin unit w
<Project Partnership>
- . is your first in support always.
